MENTORING & COACHING...

CAREER EXPLORATION & EMPOWERMENT PROGRAMS

FOR ELEMENTARY SCHOOL

Building Confidence, Personal Development & Career Awareness, One Step at a Time

Service, Wellness & Business Careers

1 Healthcare & Wellness Careers

Explore healthcare and caregiving through healthy habits, hygiene, wellness, empathy, basic first aid, and caring for others.

2 Hospitality & Guest Services

Explore hospitality careers through customer service, organization, presentation, manners, teamwork, and welcoming others.

3 Business & Customer Service

Build communication, confidence, teamwork, smart money habits, emotional awareness, and service skills.

4 Culinary Arts & Chef Careers

Hands-on food activities introduce students to chef careers, nutrition, food preparation, kitchen safety, organization, and creativity.

Technical, Creative & Environmental Careers

5 Construction & Building Careers

Age-appropriate building activities introduce students to tool awareness, planning, safety, problem-solving, and teamwork.

6 STEM, Robotics & Technology

Hands-on STEM and robotics projects introduce engineering, technology, invention, and problem-solving careers.

7 Fashion, Sewing & Creative Design

Creative sewing activities introduce fashion and design while developing measurement math skills, patience, focus, accuracy, and self-expression.

8 Horticulture & Environmental Careers

Planting and gardening activities introduce horticulture, landscaping, agriculture, and environmental responsibility.

9 Forensic Science Exploration

COMING SOON!

Students explore how science helps solve mysteries through activities involving fingerprints, observation, DNA basics, evidence, patterns, and critical thinking.

Why Families & Schools Choose R1YC

- Builds confidence and supports personal development
- Provides hands-on, age-appropriate learning
- Strengthens family and community connection
- Supports students homework and academic development
- Gives students early exposure to career options and helps discover future pathways.
